with a heart

OUR SERVICES

ASSISTANCE AND COMPANIONSHIP

We provide home assistance with everyday tasks such as meal preparation, light housekeeping, laundry, and grocery shopping. We accompany our clients to doctor visits and engage in hobbies and other activities.

SPECIALIZED CARE

We ensure that our staff have the experience, proper knowledge and training to care for individuals who are afflicted with Alzheimer's or other dementia, require postoperative care or suffer from physical or mental disabilities.

HOME HEALTH SERVICES

The health and well-being of our clients are very important to us. This is why we offer additional health services such as nursing, physiotherapy, speech-language pathology and dietician services which are readily available.
