“VERA Home Care has been wonderful! I am very happy with my care. They do so much for me and I very pleased with my services.”

– Margaret L.

*Care
with a heart*

OUR STORY

When I became a family caregiver for my father while attending Western University, I became aware of how little support there was for family caregivers and how hard it is to find help that I could trust and rely on.

I found VERA Home Care to provide our community with dependable home care by caregivers that have experience, knowledge and share the same unique passion for home care that I do.

Vitali
Veramkovich
Owner and Director
VERA Home Care

We are here to:

Provide the best possible care to you and your loved ones

Always put you and your family first

Help family caregivers with support, training and advice
